

IHS MARKIT TECHNOLOGY INTELLIGENCE SERVICE

Industrial Edge Networking Components-Annual

Comprehensive tracking, analysis and forecasts on industrial edge networking components.

COVERAGE

- 10 Product Types
- 14+ Industry Sectors
- 25+ Countries
- 5-year Forecast
- Revenues
- Shipments
- ASPs

Flagship Product

Comprehensive report and accompanying database, updated once per service year.

Analyst Insights

Client-exclusive commentary on developments throughout the year.

Market Briefs

Studies addressing key trends throughout the year.

Analyst Access

For prompt responses to urgent and unique questions

Clients of this service will receive:

Industrial Edge Networking Components Report (flagship product) – Updated once per service year, this report quantifies the \$1.8 billion (2016) world market in terms of manufacturer revenues and where relevant, unit shipments and average selling prices.

Market segmentations presented for the world market include those by industrial sector, communication technology including TSN compliance, and region (EMEA, Americas and Asia Pacific). Each region is further segmented into sub-region (countries and sub-regions). Estimated regional market shares of the leading manufacturers of the product groups considered in the analysis are also provided.

Market Briefs – Three additional studies provide analysis throughout the year on larger industry trends and developments impacting the market. Market briefs are approximately 15 pages.

Analyst Insights – These blog-style entries provide exclusive commentary on industry events or other developments throughout the year.

Research Coverage

Components				
IIoT gateways IPC based gateways Protocol converters	Unmanaged switches Managed switches- layer 2 Managed switches- layer 3	Routers Wireless access points	Connectors/cable sets	
Switches by Port Count	Gateways by Operating System	Switches by Mounting	Switches by type of PoE Functionality	Switches by TSN functionality
Up to 7 8 to 15 16 to 23 24+	Windows Linux Others	DIN rail/panel Rack	PoE PoE+	TSN compliant None
Industry Sector	Process Sector	Discrete Sector	Connectors/ Cable Set by Types	
Discrete manufacturing Process manufacturing Medical Rail Transport- Rolling Stock Rail Transport- Track Other Transport & Traffic Surveillance Other Industries	Chemical & Pharmaceutical Food & Beverage Metals & Mining Oil & Gas Power- Traditional Power- Renewable Power- Transport & Distribution Water & Wastewater Other Industries	Automotive Food, Beverage Machinery Machine Tools Packaging Machinery Robotics Semiconductor & Electronics Other Industries	Connector Only Cable Set RJ45 M8 M12 Others
